

Studios and Event Space at London City Island

# About English National Ballet at London City Island

This state-of-the-art building is home to English National Ballet and offers production, rehearsal and event facilities, just a 5 minute tube journey from Canary Wharf and with easy vehicular access from the A13. With a Production Studio including a full fly tower, 4 rehearsal studios, acoustically treated music room and various other meeting and hospitality spaces, English National Ballet at London City Island offers creative spaces in which hirers can develop, create, share and promote their work and practice.

## Using the Spaces

- Technical & Production
- Meetings
- Training
- PR & Brand Activation
- Networking & cultivation
- Rehearsals & Studio Performances
- Auditions

# Space Specifications

## Production Studio

The Production Studio is a blank canvas and can be a productive technical theatre space, an engaging conference or training space, and can transform into magical hospitality spaces. With a full height fly tower and a stage space to match our largest theatres, the Production Studio offers a technical space in which to rehearse and produce performances. It is incredibly versatile and can also be used as a dining space, presentation and training venue and for showcasing brands and organisations.
